Subject: Request for Completed Reclamation Contract, Clark1/Emeryide,
S/015/053, Emery County, Utah

Dear Mr. Clark:

The Division has not received the completed signed and notarized small mine reclamation contract that was emailed to you on February 28, 2007. Please direct your attention in completing this important permitting requirement. Currently, the permit is not in compliance with state regulatory requirements.

Failure to furnish and maintain reclamation surety may result in permit withdrawal after notice and opportunity for board hearing, cessation of mining operations, and/or requirement to reclaim all lands affected.

Please direct inquiry and correspondence to Minerals Surety Coordinator, Ms. Beth Ericksen, (801) 538-5318 or bethericksen@utah.gov.

Sincerely,

Daron R. Haddock
Permit Supervisor
